

St. Thomas School After School Care

St. Thomas offers after school care staffed by a qualified leader. Our after-care program runs from 2:45-6:00 p.m. The hourly charge for after care is \$3.50 per hour or any portion of an hour beginning at 2:45 p.m.

During our after care program your student(s) can expect to enjoy a healthy snack, a daily period of quiet homework time and a variety of activities throughout the week. These activities will include physical activities, music, games, puzzles, computer activities and crafts. We are hopeful to begin including guest speakers as well.

Because of the more developed nature of this program, it is suggested that parents sign up prior to the week needed to reserve a spot for your student(s). Parents may also contact the school the morning of the day they require after school care for their student(s); however to ensure adequate supervision only a limited number of students are permitted.

New this year: Parents will be asked to pay by check weekly for their child's care. This helps keep our record-keeping cleaner and your bill more manageable!

St. Thomas After School Care—new, improved and ready to engage your child during this new school year!

▲ Before School Care

St. Thomas School offers before school care for your student(s). Before school supervision will be arranged on an as needed basis and will be available from 7:00-8:00 a.m. This year, morning care will only be provided on days when there are pre-paid reservations requesting care for a specific day. The pre-paid daily fee for morning care is \$3.00 per student. **Payment for before school care is non-refundable.**

Parents are asked to complete the morning care reservation form and pre-pay no later than Friday to arrange for morning care for their student(s) for the following week.

Before school care will be staffed by one of our certified teachers and includes quiet games and activities, puzzles, crafts, test prep, academic help, etc. We also provide a period of morning physical activities.

For more information about either after school care or morning care, please contact the school office.
